Hamlin Schools Will Open Thur., Sept. 6-Registration

Registration for the 1945-46 term of the Hamlin Schools is scheduled for September 6th and 7th. Class schedules will begin on September 10th. A definite schedule of registration will appear in a later issue of The Herald.

Pupils who attended a school other than the Hamlin Schools last year should write to the former school for a statement of the work done while in that school.

Due to an expected large enrollment of beginners, no children under six years of age on September 1st will be permitted to attend. This is in accordance with a ruling by the State Department of Education.

In general, the bus routes will follow the same routes as last year. Only a few minor changes in the routing are expected to be made. Two new buses have been purchased and delivery is expected within a few days. With the addition of the new buses, the Hamlin Schools will have first class equipment for the transportation of its students.

At present, several vacancies exist on the faculty, but it is hoped that most of these vacancies will be filled within a few days. Included with the list of vacancies is that of a High School principal.

Coach L. B. Howard, who has been attending school in Abilene, will move to Hamlin this week end and will begin football training on Saturday, September 1st.

School Superintendent Getting Ready For Work

Hamlin people welcome Superintendent I. R. Huchingson and his wife and daughter to our city and hope for them a stay of success and contentment. Mr. Huchingson has had much trouble in getting a place to live. He has finally located apartments, however, and soon will be settled.

Superintendent Huchingson went to Lubbock last Saturday for the Commencement Exercises of Texas Technological College. The degree of Master of Education was conferred upon him, a mark of distinction all school men are proud to hold.

First Bale of Cotton For Season Brought In By C. C. Lopez

Well, sir, believe it or not, the first 1945 bale of cotton was brought into Hamlin Wednesday, August 22, and delivered to the Producers Gin.

This bale was produced by that jolly Mexican, C. C. Lopez, who owns a farm just west of Hitson. The gin will turn this bale out this Friday or Saturday. Lopez was too smart, for he got his bale in before anyone was expecting it. But that's OK; he gets the premium any way. Might say here that the past few days of hot weather have hurt cotton, but the cooler nights now will help repair the damage.

C. C. PRATER AT HOME

C. C. Prater was able to return home from the San Angelo hospital Wednesday after several weeks of serious illness. He seems to be on the road to complete recovery. Congratulations, "Katy," it is fine to see you back in good old Hamlin.

HAMLIN STUDENTS WILL ATTEND TSCW THIS TERM

DENTON, Texas.—Texas State College for Women, world's largest residential college for women, will start its 1945-46 session with an enrollment of at least two from Hamlin, according to an August survey of dormitory room reservations by the college registrar. The attendance will be limited to about 2500 young women due to lack of additional rooms.

Registration will begin at 1 P. M. Monday, September 17, and classes start September 20. Dormitories will open Sunday, September 16.

Freshmen listed from Hamlin are Miss Inez Arleen Baggett and Miss Verna Mae Colwell.

Revival To Start At Church of The Nazarene

Our Revival will begin Wednesday night, August 29, and will continue through September 9.

Morning services at 10:00 A. M., except Saturday. Evening services, 8:30 P. M. each evening.

ERNEST ARMSTRONG
Evangelist, of Bethany, Okla.

We are very fortunate to have Ernest Armstrong as our Evangelist. Bro. Armstrong has been one of our college presidents, but he resigned to enter once again into the evangelistic work.

Bro. Armstrong will be accompanied by his wife, who is a fine singer.

We extend a hearty welcome to every one to come and derive help from these services.

J. T. CRAWFORD, Pastor.

Boys Coming Home Fast

These days, as our boys come in from the foreign battle fronts, all of our hearts are made to feel happy that most of them look well and are back either for good or on a basis of a probable short stay in the greatest Army of the world. The Herald desires to extend a welcome to each of these fellows, to record a bit of their military record, and do them all the honor possible. If some one slips in home from long months or years of service and we fail to mention him or her, remember that the Herald did not get to interview such a person or has not even learned they are at home... help us get the news of the returned soldier.

First Lieutenant and Mrs. Lanny Davis arrived this week from California, where a few days ago, Lt. Davis completed his staging for overseas flying. He has but a short stay in Hamlin with his parents, Mr. and Mrs. Landon Davis, before he has to report. It is like all other soldiers and flyers; he does not know where or what or when. His wife, daughter of Mr. and Mrs. Buck Wilemon, will not accompany him back to California, for they think Lanny is going to see a lot of water soon.

S-Sgt. John Howard, Jr. Ends Long Service

We guess that one of the happiest boys ever to return from the European war area is S/Sgt. John Howard, Jr. However, we shall drop the "Sergeant" and refer to him, when appropriate, as "MR." John Howard, Jr., since he piled up 102 points and has been discharged from the Army and is now trying to "find himself" somewhere, either in Dallas or Hamlin. John has been very much interested in Hamlin before he starts right back to the big old city. Anyway, all we need now is his picture in the Staff Sgt. uniform, but no sir, he quickly donned "civies" and now looks as young and youthful as if there had never been a war.

Long before Pearl Harbor Day came, John was at peace, strictly attending his business in the Market of his Dad's Model Grocery. All he wanted was to be a successful business man, maybe some day get married, you know; but on March 9, 1941, his Uncle Sam said, "Come on, John, and get in there and work. A war is to be won." So into the Army John went.

We remember in conversations with him when he came home on a furlough that he made it clear he at first did not like being bossed around, but soon he became a real soldier, taking orders and giving 'em. He was first a cook, and finally to get out of that, he asked for "duty," and was a kind of unassigned soldier from then on.

By 1943 he had learned a lot, advanced in rank, and was up in Massachusetts, waiting to go somewhere. He left in February 1943, got a landing spot in Africa, went on up through Italy, France, Germany, and finally to Antwerp, Belgium, where he found a boat and orders to start for Texas. He served with the Seventh Army, Hq. Co., 2nd Replacement Depot, a combat unit. He arrived in San Antonio within one week after landing in the States, and received his discharge August 16, 1945, making four years, five months and seven days away from the Model Grocery Market. He accumulated five battle stars and has the ETO and Good Conduct ribbons. John saw so much, learned so much, and experienced so many dangers and hardships, that he could talk about them always, but from the looks of his happy face, he seems so say, "Let's forget it."

John was met in Cisco by his parents, Mr. and Mrs. John Howard, and they managed to get him on to Hamlin. But almost immediately he pulled out for Dallas to spend a short visit with his friend, Miss Mildred Traylor, who accompanied him back to Hamlin to stay till Wednesday of this week.

In time, we may see "Mr. John Howard, Jr." quietly forgetting the past four years of war and settling down for a long stay in good old Hamlin. Sure! Old boy, we all are so glad you got back safe and sound.

O-O

This week, two former Hamlin boys, now Capt. Morris C. Barrett and First Lt. Howard Barrett, sons of Mr. and Mrs. C. B. Barrett of Lubbock, were in Hamlin a few hours, seeing old friends. We learn that there are three other Barrett brothers in the service, too. They are 1st Lt. Doyce N. Barrett, Marine pilot; Glen D. Barrett, Petty Officer 2/c; and Harold G. Barrett, 18, Seaman 1/c.

ELECTION NOTICE

West Box No. 30 will be at the City Hall this election, which is Saturday, August 25. (Not at the High School Building.)

SURE THERE IS AN ELECTION this very Saturday, Aug. 25, all over Texas. But most people have been too busy thinking and talking about the WAR to let a small thing like Constitutional Amendments bother them. But, Brother, you had better come awake!

It is TOO late after a Constitutional Amendment passes to kick.

Most of us do not know what is to be voted upon, or which or why.

The last session of the Texas Legislature was so hell-bent on getting their own salaries upped, that they hurriedly passed a batch of amendments to smother the ones that will give them \$10.00 per day for every blessed day of every month in the two years their terms call for; work or play, they want pay every day. That means for the coming September, 30 days; Oct., 31 days; Nov., 30 days; and Dec., 31 days; and all next year, you will be giving 150 Representatives, and 31 Senators \$10.00 each day while they go about their own private affairs at home, doing nothing for the State. You may want to do that for this bunch of politicians, but it does not make good horse sense. Think of paying that same bunch, each, \$3,650 for 1946! Maybe then on a Leap Year they would get \$3,660.

Remember, Texas got excellent patriotic service from men in its Legislatures all the time up to 1931 at \$5.00 per day while they worked. Now, they get \$10.00 per day while they work in regular or called sessions, but they want the people to hand out ten bucks every day, including Sunday, every single day while they hold office—work or play.

This would not sit well with men and women who toil for far less while members of the Legislature sit and get nice pay for doing nothing. WE, for one, will not vote for (H.J.R. No. 11). But there are some of the other proposed Amendments that call for support. Be sure to know what you are OK-ing, before you vote. But vote, even if you scratch the whole shebang.

Some more about the Amendments: You see the Legislature that spent 148 days this year, were in such a hurry to get the Amendments voted upon and maybe passed, they rushed them out so fast that not all the counties in the State had time to get them published 90 days before the election date as called for by our Constitution. About 35 or 40 counties were left behind, really making the vote Saturday, unconstitutional. But they were in such a hurry, leaving us to guess why.

It seems all right to vote for the Amendment that calls for Six Judges who are now acting as Commissioner Assistants to the Supreme Court to be vested with full Supreme Court powers. This has existed for 25 or more years, and each gets almost as much pay as the Supreme Court members. They are needed and should have full powers... they are now appointed, and if the Amendment carries, the people will have a chance to vote for them.

Dream not too much of what you'll do tomorrow,
How well you'll work perhaps another year;
Tomorrow's chance you do not need to borrow—
Today is here.

Boast not too much of mountains you will master,
The while you linger in the vale below;
To dream is well but plodding brings us faster
To where we go.

Talk not too much about some new endeavor
You mean to make a little later on.
Who idles now will idle on forever
Till life is gone.

Swear not some day to break some habit's fetter,
When this old year is dead and passed away;
If you have need of living wiser, better—
Begin today.

About Soldiers--Sailors

SGT. ROY BRANDON BACK

Last Saturday we judged by the walk of a young soldier across the street that, "There goes our soldier friend, Roy Brandon"...finally, we cornered the modest young fellow, to learn, "Shucks, I've been home a week already, but Mr. Editor, I've been too busy even to let people know I'm at home." That's OK, soldier, don't blame you a bit. But remember we all are glad you made it back. Sgt. Roy has been in the 19th Air Depot Group, of the 9th Air Force...which means he was in the supply division of the Aviation Medical Corps.

Roy is a son of Mrs. W. B. Dobbins, born at Winsboro, Texas, Jan. 6, 1919. He came to Jones County and lived in the Sinclair community till his mother remarried and came to Hamlin, where Roy graduated from high school in 1938. He worked in a Hamlin grocery until called to the Army in January 1942. He trained at Camp Wolters, Camp Grant, Patterson Field, and Camp Kilmer, N. J. Roy went overseas in June 1943, and landed at Oran, Africa, where he spent 20 months; then he went up through France and the Rhone Valley as far as Nancy. Roy's job was to see that his air unit hospital had all the stuff needed for their hospitalized. He landed in the good old USA Aug. 4, and in Hamlin Aug. 11. He has but 68 points and will report to the Spokane, Wash., Army Air Base, when his 30 days are up. Roy says they could save some transportation money by giving him his discharge right here in Hamlin.

MAKING A SAILOR

Well sir, for the past several years our Hamlin boys have been going "off to sea" and we have had only a slight idea of what it means to be in "boot camp." Now, we have a better idea since our young friend, Alfred Altum, got back from his 10 weeks "booting" at San Diego. He arrived Sunday for a week with his parents, Mr. and Mrs. Leonard Altum. The Herald asked Alfred, "Just what are the proceedings in making a boy a sailor?"

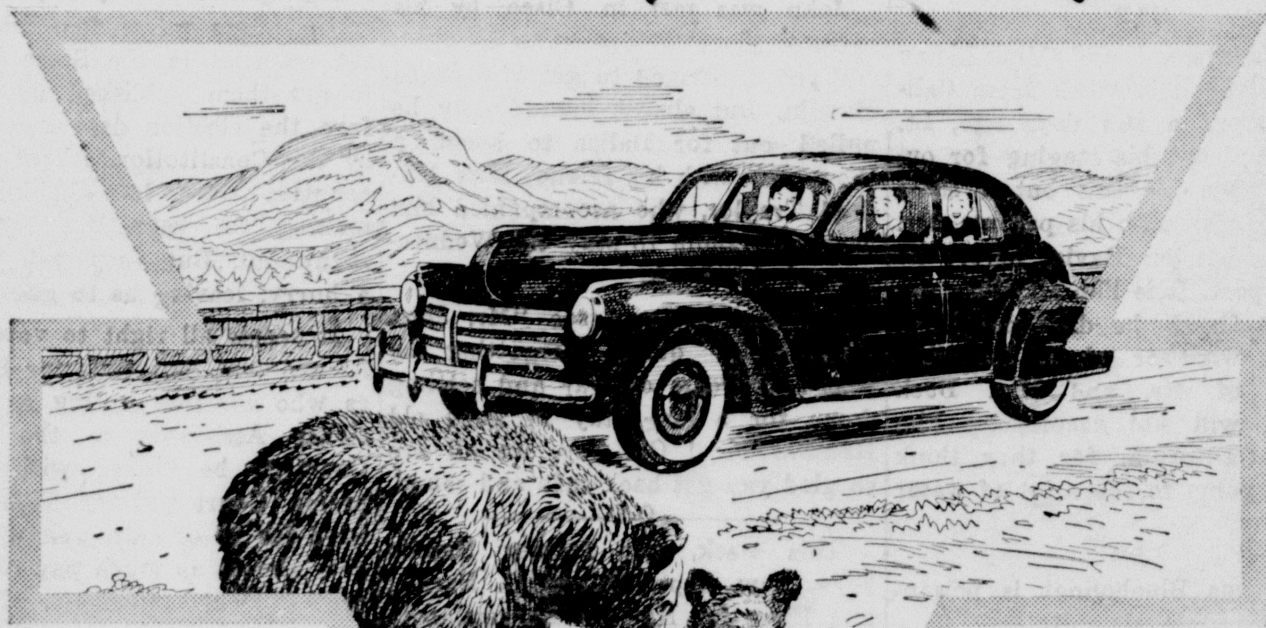

"Well," he replied, "after getting off the train at San Diego, they 'bus' you out to the camp center where they 'physical' you, and then after about 10 'shots' comes the clothing." Here's what Alfred says they load a fellow down with: 3 pr. white trousers and 2 white jumpers; 2 blue trousers, 1 dress blue jumper and 1 undress blue jumper; 1 heavy blue overcoat; 3 dungaree work suits; 2 pr. shoes (1 dress, low heel, and 1 high top, low heel); 1 pr. gym shoes and trunks; 4 pr. underwear; 12 pr. socks (6 white and 6 dark); 3 white hats; 1 blue ribbon cap; 1 watch cap; 1 heavy black sweater; 12 handkerchiefs and 1 neckerchief; 1 pr. heavy wool gloves. Then comes the small things like shoe shine and brushes and cloths, tooth brush and tooth paste, comb, soap, etc., and topping the list is a "utility Jack Knife." By this time they are sleepy and so comes the bedding: 1 mattress and 2 mattress covers, 1 pillow and 2 cases, 2 heavy wool blankets. O, yes, they have to carry all of this around and so comes in a sea bag and hammock.

So that starts a fellow off to be booted about, meaning 10 weeks and then home again as a Seaman 2/c, finally to go back to where? Nobody, not even Admiral Nimitz knows—but out to sea, to see and see—in war, to get shot at and maybe to take a long bath. A lot of Hamlin boys have made good sailors and have done a big job at winning the war.

VACATION TIME?

A PATRIOTIC VACATION AT HOME

Wartime travel has convinced most West Texans that the only place to get a real vacation is at home. Creeks and lakes in this vicinity are full of fish and some of us are learning for the first time the beauties of our own immediate outdoors. A few days out in the country doesn't disrupt the household as it did some years ago. You don't have to throw out all the food in the house. Now folks just leave their electric refrigerator on "medium" and when they get back—day or night—cold and inviting foods await them.

Servicemen need every bit of traveling space available for the next ninety days, and by your staying at home this summer a little extra room will be left for these returning heroes.

Rediscover the vacation spots in our vicinity. Reddy Kilowatt guarantees that you'll write to your friends, "Having a wonderful time—wish you were here."

WHEN?

We don't know exactly, but it won't be long now. Materials are daily getting more plentiful. As war contracts are steadily reduced, manpower will be available to build peace-time products once again.

WHAT?

What will the new models be like? No accurate news on that, either. But look for great things from SERVEL, the GAS or BUTANE refrigerator. It was great before the war, but it will be even finer, more efficient, more economical, after the war. No moving parts to wear, to get noisy, to lose their efficiency—nothing but a tiny gas or butane flame. Plenty of them right around here that have been in steady service for 10, 12, 14 years—and still doing exactly the same fine job they did the very first year. No moving parts—nothing to wear!

WHO?

Who'll get the first Serval Butane Refrigerators? YOU will—IF you place that order NOW, with a small deposit. We're now taking orders on Serval Butane-operated gas Refrigerators, delivery as soon as available, first come first served.

HOW MANY?

Not many, at first, for civilians. Like automobiles, lots and lots of mechanical refrigerators have been wearing out, during the past few years, and will have to be replaced. And, like automobiles, the essential users will have first call—hospitals, laboratories, etc. A lot of them will be needed for that. Don't wait. If you want to be among the first civilians to have a Serval Butane-operated Gas Refrigerator—ORDER NOW!

HOW GLAD?

And next summer, will you be glad you did? When you're eating ice cream every day! When you always have plenty of ice cubes—ice water, iced tea, iced coffee, iced lemonade—day after day! When you see how it saves on the grocery bill, by keeping left overs—and by letting you buy large size cans! When you see how it keeps milk, cream and butter! When you see how it keeps you in fresh meat—week after week!

Be the first! Place Your Order for a Postwar Model SERVEL
Butane-operated Gas Refrigerator—NOW!

—We have recently installed a large BUTANE STORAGE TANK so that we might be able to give the Hamlin Territory better service. We are also opening an APPLIANCE STORE in Hamlin and will carry a complete line of BUTANE AND NATURAL GAS APPLIANCES.

Rev. J. W. Cundieff, pastor of the Calvary Baptist Church, returned Saturday from Salmon, near Elkhart in East Texas, where he held a ten day meeting. He says, "You people in Hamlin do not know what hot weather is... Why, down there they don't know what an air conditioner is—just grow melons, peas, and peanuts." Good boost for Texas—there's money in East Texas.

Miss Lala Mae Reynolds Mr. Sewell Bonner Recite Wedding Vows

Miss Lala Mae Reynolds, daughter of Mr. and Mrs. Will J. Reynolds of Hamlin, was married to Mr. Sewell Bonner, son of Mr. and Mrs. Z. D. Bonner of Sweetwater, Sunday, August 19, in the home of the bridegroom's brother, Harold Bonner and Mrs. Bonner, in Hamlin.

The double ring ceremony was read by Paul Witt, Church of Christ minister and head of the science department at Abilene Christian College. An improvised altar of summer flowers and lighted tapers formed the background for the ceremony.

The bride wore an aqua sheer wool suit with pink and black accessories and a corsage of pink carnations. She wore a cameo from Italy, which was a wedding gift of the groom.

Miss Tootsie Reynolds of Fort Worth, sister of the bride, was her only attendant. She wore a pink wool sheer dress with matching accessories.

Harold Bonner served as best man.

Mrs. Eddie Jay sang I Love You Truly, and Miss Janet Bonner, niece of the bridegroom, played the traditional wedding music.

The bride is a graduate of Abilene Christian College and has been a teacher in the Hamlin schools for the past six years.

Mr. Bonner has returned from 26 months in Italy with the 15th Air Force. He holds the Presidential Citation with the Oak Leaf Cluster.

After an informal reception, the couple went to El Paso and points in Old Mexico on a wedding trip. They will make their home in Sweetwater.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Mr. and Mrs. Burl Curtiss of Greenville are in McCaulley for a week to visit with relatives. They are former residents of this community.

Mr. Ed Mason is back home after several weeks' treatment in an Abilene hospital. His condition is improved.

Hospital patients from this community in the Rotan hospital last week were: Roy Cozart, little son of Mr. and Mrs. Rufus Herbst, who was suffering from a foot infection, high fever and tonsillitis; and Margaret Darden, who fell and fractured a bone. Both are doing nicely at this writing.

W. W. Miers who now lives near Lamesa has sold his house in McCaulley to Mr. and Mrs. J. C. Forbes of this city. Mr. Forbes runs the McCaulley ice house and has recently been elected to serve as custodian of the McCaulley school.

We see Sgt. Guy Kemp is back home. The last report we had was that he was stationed in Washington. Thus far, we have not talked to him this trip. He is the son of Mr. and Mrs. B. F. Kemp.

Jim Pope who is employed at a Carbon Black Plant at Odessa visited his family last week end in McCaulley.

Mrs. Dan Maberry spent a day and night in the home of her son and wife, Mr. and Mrs. Dick Maberry, in Hamlin last week.

STEELE-MARTIN

Miss Ora Francis Steele became the bride of John B. Martin of the U. S. Navy, on August 7 in a twilight service at the City Park Chapel in Brooklyn, N. Y. A chaplain of the Navy read the ring ceremony. Both Mr. and Mrs. Martin attended McCaulley High School and Mrs. Martin graduated from Hamlin High last year. She has been employed in Government work in the F.B.I. Department in Washington, D. C., for the past several months. She is the daughter of Mr. and Mrs. Virgil Steele of Plasterco. John B. is the son of Mr. and Mrs. Sim Martin, also of Plasterco. He is serving his third year in the Navy. Our best wishes to this fine young couple.

Miss Ann Harrell of Anson visited her cousin, Miss Velma Lou Boyd, last week end.

The Baptist revival came to a successful close last Sunday night with 14 joining the church, eight for baptism. The Methodist revival begins on Wednesday night of this week.

A revival at the Boyd Chapel Baptist Church began last Sunday night. Wayne Webb, Superintendent of McCaulley school, is the choir director for the meeting.

Mr. and Mrs. Myron Spain and two children of Oklahoma City visited her sister, Mrs. Wayne Webb and family in McCaulley last week end. Mrs. Spain is the former Freddie Jones of the Neinda community.

Mrs. Edward J. Hershops of Abilene and Mrs. W. H. Pickron, Jr. of Hamlin visited in the home of Mr. and Mrs. Geo. Darden last Sunday.

Mrs. Levi McCollum left this week for Alabama for a visit with relatives and friends.

Darden Dashes—

By the way, McCaulley is in need of a cold storage plant, and we are dog-gone sure there will be plenty of customers here for lockers. We are looking for a man who means business and is ready to start. Get on the dotted line and we will do the same. No monkey business and no bird dancing.

The employees of The Celotex Corporation (formerly Texas Cement & Plaster Co.) have voted "Union" in a recent election at the mill. Once before a vote was taken in an organized labor movement and was voted down, but this time a large majority of the workers wanted a union. Frankly, organized labor is the only salvation for the workers. Like every organization, there are some leaders that, beyond a doubt, need to be kicked out, but organized labor as a whole is to be welcomed. Good wages, good hours, and decent living conditions make a happy people in anybody's country.
